Attention School Nurses: Horton Center Nurses pay increase for 2020!

Come spend a week this summer at Horton Center in the White Mountains! This is a special place, beloved by many and a great opportunity for young people and adults to grow, take safe risks and start to discover who they want to be in the world!

Horton Center is a small, United Church of Christ (UCC), ACA Accredited church camp on top of Pine mountain in northern New Hampshire, in the town of Gorham. We run week-long sessions for mostly kids (grades 3-12) and some sessions for families and adults, with an average number on site of 30-50 people.

The Nurse’s job includes: managing and dispensing meds; assuring our Doctor’s standing orders are followed, managing health and first aid needs for children, youth campers and adult leaders; and, in conjunction with our on-call camp Doctor, determining when potential further medical attention is warranted.

The nurse’s quarters are simple but comfortable with a private bedroom, bathroom, and treatment room/office all in the same building.
This is a wonderful, progressive faith-based camp program and you will be working with 8-10 dedicated staff (18-25 yrs) who are wilderness first aid and CPR certified.

We still need nurses for the following weeks this summer:

- June 19th – June 27th Pay = $800 + Room and Board (extra 2 days – Friday to following Saturday)
- June 27th – July 4th Pay = $600 + Room and Board
- July 4th – July 11th Pay = $600 + Room and Board
- July 11th – July 18th Pay = $600 + Room and Board
- July 18th – July 25th Pay = $600 + Room and Board
- July 25th – Aug. 1st Pay = $600 + Room and Board
- Aug. 1st – Aug. 9th Pay = $800 + Room and Board (extra 2 days – Saturday 8/1 to Sunday 8/9)

These are one week, paid positions for Nurses with a current NH license (or a Compact License), and it includes room and board onsite. Nurses arrive Saturday afternoon and depart the following Saturday morning. The campers come Sunday afternoon and leave Saturday morning.
Please come be a part of this dynamic, beautiful setting for a week. You’ll be glad you did!

If available and interested please contact Tim Hughes at: thughes@nhucc.org or 603-545-9660
