

School Nurse - Job Posting

Merrimack Valley School District is seeking full and part time School Nurses. The successful candidates will be caring, compassionate, and enjoy working with children. Positions require detail oriented, organized individuals who are willing to work hard, and maintain confidentiality. Pediatric experience preferred. RN license is required.

Responsibilities Include:

- Organizes, administers and manages school health services
- Assumes responsibility for appropriate health assessment, planning, intervention, evaluation, management and referral activities for students in the district
- Provides for the promotion and maintenance of health as well as the prevention of illness and injuries
- Responsible for direct and indirect care given to students in compliance with school district policies, professional standards of practice, physician's orders and individual health plans of students
- Coordinates the health screenings, physical examinations and immunization programs at school.
- Acts as a liaison between the physician, school, community and child's home
- Participates in the development of individual education plans when appropriate
- Assists in the development of an on-going student safety and child protection program
- Respects the dignity, confidentiality and rights of all students and staff
- Upholds regulations and laws related to confidentiality, reporting of child abuse and neglect, NH State immunization requirements and other health-related requirements
- Provides leadership in the planning of proper emergency care and first aid for sudden illnesses and accidents that occur during school or school-related activities
- Insures the maintenance of accurate health records for all children and the submission of all reports
- Acts as a resource person and consultant for health education in the classroom setting
- Provides in-service training for health-related issues to staff members in the district
- Maintains professional competencies through in-service educational activities and self-selected professional growth programs
- Responsible for implementation of district accident reporting procedures including staff training and accurate record keeping
