

New Hampshire School Nurses' Association

Mission: As registered professional school nurses, we provide comprehensive school health services to support all students in achieving their full academic potential.

Vision: New Hampshire School Nurses' Association (NHSNA) provides leadership and education to support New Hampshire school nurse standards of practice, care coordination, leadership, quality improvement, and community public health. New Hampshire school nurses are committed to promoting the health of students and school communities through evidence based clinical practice, health promotion, and education. NH school nurses are integral members of the school leadership and education teams, and are committed to collaborating with professional organizations and health care teams. Through strength in membership and advocacy, NHSNA creates the infrastructure to promote excellence in school nurse practice across the state.
